

If a vehicle pulled out in front of you, where would it be likely to appear?

If a pedestrian was about to cross the road, where would you expect to see them waiting to cross?

If a pedestrian was walking on the pavement, where would you expect them to be walking?

If a vehicle drove past you,
from where would you expect it to
appear?

If a vehicle drove past you,
from where would you expect it to
appear?

If a pedestrian was walking on the pavement, where would you expect them to be walking?

If a vehicle pulled out in front of you, where would it be likely to appear?

If there was a road sign indicating the speed limit, where would you expect it to be?

If there was a road sign indicating the speed limit, where would you expect it to be?

If a vehicle pulled out in front of
you, where would it be likely to
appear?

If a vehicle had broken down on the side of the road, where would you expect it to be?

If a vehicle drove past you,
from where would you expect it to
appear?

If a pedestrian was about to cross the road, where would you expect to see them waiting to cross?

If there was a road sign indicating
that there is a junction ahead,
where would you expect that sign to
be?

If you were waiting at a roundabout,
where would you expect to see a
vehicle drive past you?

If a vehicle had broken down on the side of the road, where would you expect it to be?

If you are waiting at a roundabout,
where would you expect another
vehicle to turn onto the
roundabout?

If a pedestrian was about to cross the road, where would you expect to see them waiting to cross?

If a vehicle pulled out in front of you, where would it be likely to appear?

If there was a road sign indicating
there is a school ahead, where
would you expect it to be?

If a vehicle drove past you,
from where would you expect it to
appear?

If a pedestrian was about to cross the road, where would you expect to see them waiting to cross?

If a vehicle pulled out in front of you, where would it be likely to appear?

If there was a road sign indicating the speed limit, where would you expect it to be?

If there was a road sign indicating
that there is a junction ahead,
where would you expect the sign to
be?

If a pedestrian was walking on the pavement, where would you expect them to be walking?

If a vehicle were to turn off this road, where would you expect this to occur?

If there was a road sign indicating the speed limit, where would you expect it to be?

If you are waiting at a roundabout,
where would you expect another
vehicle to turn onto the
roundabout?

If you are waiting at a 'T' junction,
where would you expect a vehicle to
appear?

If there was a road sign indicating the distance of your destination, where would you expect it to be?

If you came to a roundabout, where would you expect to see the sign indicating your correct exit?

If a pedestrian was about to cross the road, where would you expect to see them waiting to cross?
